

Eve Mesh

TeamMate[®]

Eve Mesh

Eve Mesh - the essential task chair fitted with an eye-catching mesh back. The mesh back is ergonomically shaped, height adjustable and available in six different colours. Like its fully upholstered sister, Eve can be specified with a PCB or ISB mechanism. Options such as the polished aluminium base give Eve Mesh the appearance and feel of a top of the range chair.

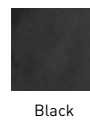

Features & Options

- PCB or ISB mechanism
- Contoured mesh back, height adjustment with lumbar support
- Mesh back is black as standard
- Optional mesh colours: Grey, red, orange, blue, green
- Contoured seat with waterfall front
- Moulded foam for increased comfort
- Seat can be upholstered in a wide range of fabrics, vinyl and leather
- Optional height adjustable arms (nylon), hard wearing and suitable for low cost solutions
- Optional PU (Polyurethane) height adjustable arms; tougher material than nylon fitted with softer arm pads
- Standard with black nylon base
- Optional polished aluminium base
- Optional Soft tyre castors
