MODEL: HUB

A secure media cabinet for teaching and seminar rooms

### Features & Benefits

- >> Small compact footprint
- >> Secure media cabinet
- >> Stylish design with 16Ux350mm rack space
- >> Removable panels for 360° access to rack
- >> Ideal for small teaching and learning spaces
- >> Mobile with lock-down castors
- >> Standard 16U door
- >> PC enclosure with adjustable straps (choice of left or right)
- >> Tower or compact PC compatible
- >> Efficient natural convection cooling system
- >> Storage shelves for internal AV equipment
- >> Standard rectangle worktop
- >> Standard desktop finish in Formica Stardust with black armour edging.

### Overview

The Hub is an entry level product from the TeamMate Fundamentals range. Low cost and with a small footprint the hub is a fully functioning secure media cabinet that is used against a wall or in the corner of teaching spaces. Complete with 16U x 350mm of secure rack space, the Hub has plenty of storage and has adjustable PC straps for a tower or compact PC.

The contemporary look of the Hub makes sure it blends in with any teaching and learning environment and is the perfect choice for rooms with less budget or with a requirement for additional storage space.
