WallHub

MODEL: WALLHUB

Wall-mounted touch-down point for where space is at a premium and a traditional lectern is not required.

Features & Benefits

- >> Secure and functional touchdown point
- >> Generous worktop space for keyboard, monitor arm and visualiser
- >> Wall mounted lectern
- >> 19" vertical rack enclosure
- >> Suitable for smaller teaching and training spaces
- >> Compact tower PC compatible with access on either side
- >> Removable front security door
- >> Security panel with suited keys
- >> Full cable management
- >> Finished in white powdercoat paint
- >> Optional floor support stand can be added which doubles up as a cable tidy solution
- >> Range of optional extras, including monitor arm, vinyl logo and pre-drilled worktop

Overview

Acting as a touchdown point during a session, the WallHub has generous worktop space for a laptop and other worktop peripherals including monitor arm, control housing and a visualiser security tray.

The WallHub also has 19" vertical rack space for AV/IT equipment in addition to PC apertures on either side with optional blanking plates. Access could not be easier, with a secure removable front door, integration and maintenance access.

WallHub technical specifications

- >> 19" 5U vertical rack mountable space
- >> 1000 x 550mm worktop in stardust with black armour edging as standard
- >> 650mm W x 290mm D x 460mm H internal space
- >> x1 lockable front access door
- >> Wall mounting points on inside of rack
- >> Chassis in white powdercoat paint as standard
- >> Floor support structure available as an option
