- >> Interface panel for AV control panels and/or input plate
- >> Optional dado trunking off-set brackets available
- >> Lower level power socket wall mounting cover available
- >> 10 year warranty on metalwork components
- >> 3 year warranty on electrical components

Overview

HuddleZone is a wall-mounted huddle table with provision for integrated AV/IT equipment. HuddleZone makes collaborating easy, whether it is a quick Zoom or Teams call or sharing your work via the screen with a colleague.

Installation of the HuddleZone is also made simple. No need to drill and chase cables into the wall, HuddleZone provides easy and secure access to run cables from devices up to the screen. The table has been designed for 3 or 5 users at either chair or stool height.
